

Support Scouting with the Boy Scouts of America License Plate

Next time you register your vehicle with the Georgia Department of Transportation, ask about the Boy Scouts of America - "In God We Trust" speciality license plate. This special plate (pictured below) not only allows you to donate to the Boy Scouts of America, but show your support as well.

This is an artist's rendition of the proposed plate. The final product may differ.

In order for these license plates to be produced, the State of Georgia must receive 1,000 orders by December 31, 2008. If the order minimum is not met, any fees received by the state for purchase of the license plate will be refunded.

For more information, visit the Georgia Department of Revenue at:
